By participating in this event each competitor agrees and acknowledges that sailing is a potentially dangerous activity with inherent risks. These risks include strong winds and rough seas, sudden changes in weather, failure of equipment, boat handling errors, poor seamanship by other boats, loss of balance on an unstable platform and fatigue resulting in increased risk of injury. Inherent in the sport of sailing is the risk

of permanent, catastrophic injury or death by drowning, trauma, hypothermia or other causes.

The organising authority will not accept any liability for material damage or personal injury or death sustained in conjunction with or prior to, during, or after the event.

All those taking part in the event do so at their own risk and responsibility. The organising authority is not responsible for the seaworthiness of a boat, whose entry is accepted, or the sufficiency or adequacy of its equipment.

The Owner or Person-in-Charge of a boat will be solely responsible for any tracking device supplied by the Organising Authority.

The Owner and/or Person-in-Charge of a boat retiring from the race is responsible for the return of the tracking device to the Race Control. The Owner or Person-in-Charge must contact Race Control once safely in port for authorisation to remove and deactivate the tracker.

In the event of loss or failure to return the tracker the Owner or Person-in-Charge will be liable for the rental or replacement costs.

A boat on which a Tracking device fails or ceases to operate will be required to provide additional position reports to Race Control, details of which will be outlined in the SIs

On berthing in Gladstone, the boat's Tracking device must be returned to Race Control at the regatta office.
